Ceramic Studio

Fire your imagination

- Thick paints won't glaze, see examples in the studio
- Please wash your hands before and after painting. (Please note Baby/hand-wipes and hand creams can reject paint)
 - Shake paints well before use
 - Mistakes can be washed off
- Colours are more vivid once glazed - as shown on the colour charts provided
 - Light coloured paint won't show over dark
- Paint colours can be mixed or why not add water for a lighter shade
- We provide you with everything you need and have many painted examples for inspiration
 - Light pencil marks will fade away in firing
 - Feel free to bring drinks over from the cafe whilst you paint
- Items should take 7 days to fire. We will store your ceramics for a maximum of 8 weeks from the collection date
- Please clear your table, wash pallets and water cups when finished, it would be much appreciated
 - All items painted must be paid for

During busy times the collection date may take longer than 7 days.
This will be displayed on the studio black boards.
